

Terms and conditions of service

Chapter 1 [General]

1. Article 1 (Purpose)

The purpose of this Agreement is to determine the rights, obligations, and necessary matters between the company and the users in connection with the "code meter" provided by Sothe Code Co., Ltd. (hereinafter referred to as "Company").

2. Article 2 (Define terms)

The terms used in this Agreement are defined as follows:

- 1.1) The term "user" means a person who agrees to these terms and conditions and is entitled to use the services provided by the company.
2. The definition of terms used in these terms and conditions shall be in accordance with the provisions of the relevant statutes.

3. Article 3 (Effect and Change of Terms)

1. The company specifies these terms and conditions after the initial service subscription and on the My Menu.
2. This Agreement shall become effective upon the user's use of the Service. If the user does not agree to this Agreement, the user may withdraw the Service Agreement.
3. The company may change these terms and conditions to the extent that they do not violate the relevant statutes.
4. The changed terms and conditions will be effective from 15 days prior to the application date (but 30 days prior to the application date) to the day before the application date.
5. You have the right to disagree with the changed terms and conditions, and if you do not agree with the changed terms, you may discontinue using the service and withdraw from the service.
6. If the user does not express his/her intention to reject the changed terms and conditions

or continues to use the service after the application date of the changed terms and conditions, he/she shall be deemed to have agreed to the changed terms and conditions.

Chapter 2 [Use]

1. Article 4 (Enablement of a Service Agreement)

1. A service contract is established when the person who intends to use the service agrees to this agreement and uses the service.
2. Teenagers (those under 19 years of age) or guardians under the age of 19 must obtain consent from their legal representatives to use the service. In addition, some services may be restricted depending on age.

2. Article 5 (Service Subscription and Account)

1. Users can subscribe to the service in the manner provided by the company.
2. The company provides users who subscribe to the service with an account with a nickname and unique ID.
3. Users must faithfully manage their accounts. The user shall be responsible for damages caused by the user neglecting his/her account or accepting the use of a third party.

3. Article 6 (Protection and Management of Personal Information)

1. If a user provides information to the company pursuant to this Agreement, he/she shall provide true information, and the user shall not be protected against any disadvantages caused by providing false information.
2. The company shall endeavor to protect the personal information of users as prescribed by the relevant statutes.
3. The protection and use of the user's personal information shall be governed by the relevant statutes and the personal information handling policies separately notified by the company.

4. Article 7 (Company's Duty)

1. The company complies with the relevant statutes and faithfully carries out the exercise of rights and obligations prescribed by these terms and conditions in accordance with their faith.
2. The company does its best to provide continuous and stable service.
3. The company does its best to make the service convenient for users.

4. The company shall endeavor to expedite the process within a reasonable period if it objectively recognizes that the user's opinions or complaints are justified.

5. Article 8 (User's Duty)

1. The user shall not use the service for any purpose other than its original purpose or engage in any of the following acts, and may receive the service through inquiry within the service if he/she finds a user suspected of violating the following paragraphs:

1) Stealing another user's account or other person's payment information or pretending to be a manager of the company;

2.2) An act to record and disseminate false information while using the service

3.33) Transferring the account provided by the company to another person

4.44) Information obtained by using the company's services is reproduced, distributed, and commercially used without prior consent from the company;

5.9) Interfering with the company's service operations by manipulating data in an unusual manner.

6.10) Transfer, post, disseminate and use data containing computer software, hardware, and telecommunications equipment, software viruses, other computer codes, files, and programs designed to interfere with and destroy normal operation.

7.11) Changing services through server hacking, data leakage, bugs, etc. or using services in a manner not determined by the company;

8.22) Violation of relevant statutes, terms and conditions of service use, operation policies, and notices;

9.13) Violation of other public order and public morals or illegal or unjustifiable acts;

2. The company may restrict the use of the service for a fixed period of time if the user interferes with the company's service in violation of the service restriction criteria prescribed in paragraph (1).

3. The company shall not compensate the user for damages caused by the user if the user's restriction on use is justified.

6. Article 9 (Delivery Time, Stop, Change)

1. The company provides 24-hour service 24 hours a day, 365 days a year, unless there are any business or technical problems.

2. The company may temporarily suspend the service for a certain period of time, if necessary for the operation of the service, such as a regular inspection of the system, and in such cases, the company shall notify the details and time within the service. However, if there is an unavoidable reason that the company cannot notify in advance, it may be notified afterwards.

3. The company can modify, add, or abolish all or part of the services provided, if necessary

for new services, bug patches, etc. or for service operation or technology. The details and dates of the service to be changed shall be notified within the service, replacing the notification to the user.

4. If the company needs to discontinue the entire service due to the plan, operation, or urgent situation of the company, the company may notify the service within the service and discontinue the service. However, if the company is out of control, the service may be discontinued without notice.

7. Article 10 (Advertising)

1. The company may place advertisements within the service to maintain this service.
2. The company shall not take any responsibility for any loss or damage caused by user participation or transaction in the advertisement in which a third party is the main body of the service.

8. Article 11 (Cancellation of Contract)

1. If the user does not want to use the service, he/she can cancel the service contract at any time by withdrawing from the membership. After applying for withdrawal, he/she cannot recover the account he/she has withdrawn.
2. After 7 days of user withdrawal application, withdrawal of account and deletion of personal information will be completed.
3. Users can rejoin the service after completing withdrawal from the account.

Chapter 3 [Others]

1. Article 12 (Compensation for Damage)

If a user causes damage to the company or a third party by violating the terms and conditions set forth in this Agreement, the user shall compensate the company or third party for such damage.

2. Article 13 (Limit of Liability)

1. The company shall be exempted from liability for damages caused by service disruption, modification, or suspension, except in cases where the cause of service disruption or service change or suspension is intentional or gross negligence of the company.
2. The company will be exempted from responsibility for failing to obtain the scores, rankings, etc. that users expect from the service.

3. The company shall be exempted from responsibility for any disadvantages or loss of information caused by the user's change of personal information (including the account).

4. The company has no obligation to intervene in disputes arising between users or between users and third parties, nor is it liable to compensate for damages.

3. Article 14 (Non-Terms and Conditions)

1. Matters not prescribed in these Terms and Conditions and the interpretation of these Terms shall be governed by relevant statutes, such as the Electronic Commerce Act, the Terms Regulation Act, the Information and Communication Network Act, and the Content Industry Promotion Act.

2. In addition to these terms and conditions, the company may establish separate terms such as operating policies and personal information processing policies.

4. Article 15 (Judge and Conformity Act)

1. The Korean law applies to lawsuits filed between the company and users.

2. The court in charge of the address of the Civil Procedure Act shall agree on the disputes between the company and the users regarding the use of the service.

This Agreement shall enter into force on December 1, 2020.
